

Update order_surcharges - make independent on payment

```
delete FROM `order_surcharges` WHERE payment_id is NULL;  
update `order_surcharges` set payment_id = NULL;  
DELETE c1 FROM order_surcharges c1  
INNER JOIN order_surcharges c2  
WHERE  
c1.id > c2.id AND  
c1.delivery_id = c2.delivery_id AND  
c1.threshold = c2.threshold  
;
```
